Open-ended Working Group on Ageing
First working session
New York, 18-21 April 2011

Report of the Open-ended Working Group on Ageing

Rapporteur: Léo **Faber** (Luxembourg)

Corrigendum

Section III. Chair's summary of the key points of the discussions

1. **General overview, first sentence**

For December 2011, *read* December 2010

2. **Day three: regional human rights framework, measures and mechanisms, fourth paragraph**

The first sentence *should read*

In her presentation, Ms. Bras Gomes of the Ministry of Labour and Social Solidarity of the Government of Portugal outlined some of the most important binding human rights instruments for the 47 member States of the Council of Europe, including the European Convention on Human Rights, the European Social Charter and its Additional Protocol of 1992, offering specific protection for older persons in relation to social security.
